

Come Join Us!

The Poplar Creek Prairie Stewards hold workdays on alternating Saturdays and Sundays at the Poplar Creek Forest Preserve in Hoffman Estates. Activities vary depending upon the season; they include seed collection, planting, removal of non-native plant species, controlled burning, and species monitoring. Workdays start at 9 a.m. and run until 12:00 p.m. Previous experience is not necessary. Volunteers often go to lunch at a nearby restaurant after the workday. If you are interested in joining us at an upcoming workday, please call Sheila Hoyos at (630) 855-6166 for more information.

December 1–April 1, call (630) 855-6166 after 8 a.m. on scheduled workdays for a recorded update, in case the workday has been canceled due to inclement weather.
